## How to make a braid

1 Level of difficulty

### STEP 1 - Cut the strips

Wash the fabric first. Cut 3 or more strips of fabric. Each strip should be about 1 inch wide and a foot long. Make various lengths to accommodate all animals.

### STEP 2 - Tie a knot

Hold the strips together and tie a knot at one end

### STEP 3 - Begin braiding

Braid the strips together by crossing over the strips. You might want to tape down the knotted side or have a friend hold it.

### STEP 4 - Finish up

Once you are close to the other end, tie another knot.
