

# Project Canis

## How to make a crunch

2 Level of difficulty

### STEP 1 - Get materials

Uncap an empty water bottle. Make sure to wash the fabric. Cut a large rectangle big enough to wrap around the water bottle and 4 long strips of fabric. Use more durable fabrics.

### STEP 2 - Wrap it

Wrap the rectangle around the water bottle so that it is covered all the way.

### STEP 3 - Tie it up

Tie the 4 strips around the bottle with 1 strip on either end of the bottle and 2 strips around the bottle.

### STEP 4 - Finish up

Make sure that everything is secured and you are finished!
